

**Full-time Players Database - Fall 2022**  
(sorted alphabetically within each Board Rating)

PLAYER FINDER INFORMATION										
Each <b>LOCAL</b> player is given a draft position and a board rating: 1. DRAFT POSITION - by draft order 2. BOARD RATING - by the board; and is provided only as an aid to managers during the player draft.  When missing a player, the <b>Draft Position</b> (or the Board Rating if not drafted) of the pickup player must be the same or lower than the <b>Draft Position</b> of the missing player.

**Pool Players Database - Fall 2022**  
(sorted alphabetically within each Board Rating)

PLAYER FINDER INFORMATION										
Each POOL player is rated by the board relative to the other local players in the league. The board rating is the same as the draft position for pickup purposes. When missing a player, the Draft Position of the pickup player must be the same or lower than the Draft Position of the missing player.
