

PLAYER COMMUTING POLICY

8-9-21

PURPOSE: To establish the guidelines under which Menifee Valley Upper Division Senior Softball (MVUDSS) league players can be assigned to the same team. The only condition under which the MVUDSS Board (Board) will consider such an arrangement, as a means of attracting and retaining league players, is if the two players are commuting to the ball field from a long distance and such an arrangement will allow the two players to carpool.

Each such request will be reviewed and approved/denied based on the sole discretion of the Board, on a case-by-case basis, based on the guidelines identified below.

GUIDELINES FOR CONSIDERATION: The following will be the only factors that the Board will consider in approving/denying a request for an assistant:

- 1) The players requesting such an arrangement must carpool together and must have a lengthy commute to the ball field in terms of distance and/or time; the latter criterion which will be determined and judged solely at the Board's discretion will be approved/denied on a case-by-case basis.
- 2) The players making the request cannot both be board-rated "1's" or "2's" and cannot be board-rated "1" and "2".

DRAFT POSITION SLOTTING OF AN APPROVED PLAYER ASSIGNMENT

For draft purposes, the lower-rated player will, automatically, be placed in the appropriate slot of the second round of the rating assigned to said player by the Board.

APPROVAL: Based on a duly qualified quorum of Board members, the Board will approve/deny any requests for an assistant based on a simple majority vote.
