Provide Tiffany Peck with the number of teams for the upcoming year.
3. Forward the invoice to league Treasurer for payment. Forward GL policy and Certificates of Insurance to League President. Retain electronic copies of policy and certificates.
4. The plan year is 12/1-12/1, and should be reflective of the calendar year subsequent to the start of a Fall season. This should be reflected on the GL policy and the Certificates of Insurance.
5. Provide a copy of the insurance certificate to BLD Perris, or other entity if not playing at the BLD facility.
6. GL Policy/Certificates of Insurance
 - a. The GL policy that was received from SSUSA for 2025 was dated 12/1/23-12/1/24. That is not reflective of the current policy year of 12/1/24-12/1/25. A copy of the current policy was requested. As of this writing, 3/7/25, a current policy has not been received. There were endorsements included as part of the certificates of insurance. It is possible that with those endorsements, the 12/1/23-12/1/24 policy will stand as the "current" policy. As a side note, like most GL policies, this one is a monstrosity.
 - b. Care must be taken to review the certificates forwarded by SSUSA. As example, for 2025, SSUSA forwarded 6 Certificates of Insurance, with the Certificate Holders identified as follows:
 - (1) Big League Dreams Sports Park Perris – this is valid and it the certificate which is sent to BLD.
 - (2) Menifee Valley Upper Division Senior Softball (MVUDSS) – this is valid
 - (3) Valley Wide Recreation & Park District (Esplanade address) – this is valid and was added to include other ball parks which may have been used during COVID shutdown. Probably can inform SSUSA going forward that this is no longer needed.
 - (4) Valley Wide Recreation & Parks District & Its Officers and Directors – this is valid and is an adjunct to the prior certification. Same information applies.
 - (5) Valley Wide Intercity Softball League – This is not part of MVUDSS.
 - (6) Mt. San Jacinto Community College District – This is not part of MVUDSS.
 - (7) SSUSA was notified that the immediate prior two certificates do no belong to MVUDSS.
